#### Office Policy

In order to improve our efficiency and help ensure a pleasant office visit, please read the following:

- o Please bring any current glasses or contact lenses with you to every visit.
- o Please help us stay on schedule by arriving on time for your scheduled appointment. If you arrive more than 20 minutes late your appointment may need to be rescheduled.
- o As a courtesy to staff and others in the waiting room, please turn off your cellular/mobile telephone.
- O When scheduling your appointment, please provide us with your insurance policy/ID number and group number as well as the telephone numbers listed on the back of the insurance card. We will make every effort to verify your insurance coverage and benefits before the day of your visit.
- o We contract and are "in network" with many PPO, POS, EPO and HMO insurance plans. If your plan requires a referral number, please provide this to us when scheduling your appointment. The referral is usually obtained from your Primary Care Physician (PCP).
- o If we are contracted with your insurance plan, we will file your insurance claim for you. As stated in our Patient Financial Responsibility Statement, you are required to pay your co-pay and/or coinsurance and/or deductible amount (if not met for the year) at the time of your visit.
- o If a parent or guardian cannot accompany the minor patient to the exam, a **written** authorization from the parent/guardian must be presented by the person bringing the patient to the appointment. We are unable to examine the patient without this authorization.
- o If the minor patient's parents are divorced, payment is the responsibility of the parent bringing the child to the office for treatment, regardless of the terms of the divorce decree.
- o In compliance with federal privacy policies, no information regarding a patient(s) will be released without written authorization from the patient, parent, or guardian. Please see the link for the Medical Records Release Form.

#### Financial Responsibility

As a specialty practice we strive to keep our fees competitive and as low as we can. To accomplish that we feel it is important that we have a good understanding with our patients regarding financial responsibility. We hope this summary is helpful toward this goal and we encourage you to ask our staff any questions you may have.

- o We must have a current copy of your medical insurance card. If this is not available, payment in full for the office visit will be expected at the time of service. We do not file claims to Vision Insurance plans.
- o Any deductibles, coinsurance and co-payment amounts are due at the time of service.
- o If we are contracted with your insurance plan we will submit the remainder to your insurance carrier.
- o If your insurance plan mistakenly sends payment directly to you, please send us a personal check as well as the paperwork from the insurance carrier.
- o You are responsible for any services not covered by your insurance policy.
- o Medical insurance plans will sometimes refuse to pay for a claim for any of the following reasons:
  - Pre-existing conditions
  - The individual or family deductible has not been met
  - The policy was not in effect at the time of service
  - •There is another insurance policy that is considered primary
  - The type of service is not covered on your policy.

Although we make every effort to verify your insurance benefits prior to the appointment date or at the time of service, the payment we collect may not reflect the full patient responsibility. Please be aware that financial responsibility for medical services is between you and your health plan/insurance carrier. While we are happy to submit your insurance claim on your behalf, we are not responsible for any limitations or exclusions in your plan's coverage. If your insurance carrier denies your claim you will be responsible for payment in full.

Our mission is to provide you with excellent quality care at cost-effective, competitive pricing. We are constantly adapting to the changing policies of health insurance carriers and the federal government. We value you as a patient and welcome you to our practice.

I have read and understand my obligations. I acknowledge that I am fully responsible for payment of services if not covered by my insurance carrier or the practice is not contracted with my health plan. Any questions I may have had regarding this policy have been answered by the staff of Dr. Stager Jr./ Dr. Stager Sr.
